DOCUMENT REF: UCHI-PSD-CHEM-OFFER-2027-89321 | **DATE OF ISSUANCE: October 16, 2026**

CANDIDATE / ADMITTEE:	**DEVENDRA DUBEY (Devendra Dubey Biswambharnath Geeta)**
APPLICANT IDENTIFIER:	Application ID: **UC-2027-89321** | UCID: **12489321** | Registered Email: **dubey351dev@gmail.com**
RESIDENTIAL ADDRESS:	G-704, Lodha Elite, Lodha Heaven, Nilje, Maharashtra 421204, India
OFFERED PROGRAM:	**Doctor of Philosophy (Ph.D.) in Chemistry (Track: Computational Chemistry & Catalysis)**
MATRICULATION TERM:	Autumn Quarter 2027 | Doctoral Cohort Move-In: **August 2027**

Dear Mr. Devendra Dubey,

On behalf of the Graduate Faculty of the Department of Chemistry and the Division of the Physical Sciences at **The University of Chicago**, it is our greatest pleasure and honor to offer you admission to the **Doctor of Philosophy (Ph.D.) degree program in Chemistry** beginning in the **Autumn Quarter 2027** (formal doctoral matriculation in August 2027).

Admission to our graduate program is intensely selective, granted only to candidates demonstrating exceptional intellectual independence, rigorous scientific aptitude, and profound research promise. Your outstanding master's record at the Indian Institute of Technology Gandhinagar (IITGN, CGPA 8.46 / 10.00 First Class with Distinction), supported by the highest recommendations from your faculty referees, distinguished your file among thousands of global applicants.

FACULTY ACCEPTANCE & COMMENDATION OF EDITOR-LED PROJECT

The Admissions Committee and Faculty Selection Panel conducted a comprehensive evaluation of your scholarly portfolio, specifically giving thorough review to your **editor-led computational research project and software architectures**. **Professor Alex (Alexander Q.) Cusumano**, Assistant Professor of Chemistry (Computational & Theoretical Chemistry, Molecular Dynamics, Catalysis), was extraordinarily impressed by the technical depth, algorithmic rigor, and creative methodological execution demonstrated across your editor-led project.

Reflecting this high praise, **Professor Alex Cusumano has officially accepted you into the Cusumano Research Group** in the Searle Chemistry Laboratories as your designated Faculty Research Advisor. Both Professor Cusumano and our departmental faculty are tremendously excited to meet and mentor you as you commence your doctoral investigations in computational chemistry and reaction catalysis this coming semester.

Research Advisor:	Prof. Alex (Alexander Q.) Cusumano, Ph.D. — Assistant Professor of Chemistry
Research Group:	The Cusumano Research Group • Computational & Theoretical Chemistry Laboratory
Laboratory Facility:	Searle Chemistry Laboratories, 5735 S. Ellis Ave, Chicago, IL 60637

COMPREHENSIVE FINANCIAL AWARD & DOCTORAL FELLOWSHIP PACKAGE

The University of Chicago is steadfastly committed to ensuring that every doctoral scholar is fully supported. Throughout your graduate tenure in good academic standing, you are awarded an institutionally guaranteed fellowship package covering your complete tuition, mandatory health insurance, and annual living expenses:

AWARD COMPONENT	FUNDING RATE & COVERAGE	FINANCIAL STATUS & DISBURSEMENT TERMS
Full Tuition & Academic Fees	**$20,000.00 USD** / Semester ($60,000.00 / academic year)	**100% Fully Funded** via Physical Sciences Division Tuition Remission Fellowship. **Zero student tuition liability.**
Doctoral Living Stipend	**$3,000.00 USD** / Month ($36,000.00 annual stipend)	Funded via Graduate Research Assistantship (GRA) under Cusumano Lab; disbursed bi-weekly directly to candidate's account.
U-SHIP Health Coverage	**100% Comprehensive** Individual Platinum Plan	Full annual premium paid directly by the Division of the Physical Sciences; comprehensive medical, dental, and vision.
Seat Confirmation Deposit	**$6,200.00 USD** **Due: Nov 11, 2026**	**100% Reimbursable within 90 days** of semester commencement; **100% Refundable in 90 business days** if visa issue occurs.

TERMS OF SEAT LOCKING DEPOSIT: 90-DAY REIMBURSEMENT & GUARANTEED REFUND POLICY

To reserve and officially lock your graduate research placement in the Cusumano Laboratory, admitted candidates submit a Ph.D. Matriculation Seat Confirmation Deposit of **$6,200.00 USD** by the priority deadline of **November 11, 2026**. The University maintains the following institutional guarantee governing this deposit:

• **Full Reimbursability within 90 Days of Semester Start**: The entire $6,200.00 USD seat locking fee is **100% reimbursable within 90 days** from the formal commencement of the Autumn Quarter (August 2027). The full amount will be credited back directly to your student Bursar account and disbursed alongside your doctoral fellowship stipend.

• **Full Refundability within 90 Business Days for Unforeseen Travel / Visa Complications**: In the unforeseen event of visa denial, administrative visa processing cancellation, international travel restrictions, or non-enrollment / non-admission due to extenuating circumstances beyond the candidate's control, **the $6,200.00 USD seat locking deposit is 100% refundable within 90 business days** upon the submission of your written notification and supporting documentation to the Division of the Physical Sciences Admissions Office.

NEXT STEPS TO ACCEPT & CONFIRM MATRICULATION:

1. Log in to your secure **Applicant Status Portal** at **https://uchicago.asia/portal.html?applicantId=UC-2027-89321**.
2. Review your admission dossier, faculty advisor acceptance card, and pre-authorized Discover payment mandate.
3. Complete your enrollment confirmation and deposit submission by the **Priority Deadline: November 11, 2026**.
4. Your Form I-20 Certificate of Eligibility for Nonimmigrant Student Status (F-1) will be issued promptly by the Office of International Affairs (OIA).
